"WALK YOUR TALK"
WALK-A-THON

The Extreme Family Outreach sponsored our 2nd annual "Walk Your Talk" Walk-a-Thon on Saturday, May 21st at 10am. We had a beautiful day and lots of fun as we walked, talked, laughed and enjoyed the opportunity to raise money for all the many precious, awesome children of Harford County. A great big EXTREME Thank You to all those that participated and to everyone who sponsored one of our walkers!!

Dear Friends & Partners,

The Extreme Family Outreach is nearing the end of our Spring Semester of our Extreme After-School program. It has been a exciting couple of months with many children attending our five sites every week. Rain or shine the children come running with anticipation to participate in our program. The children are learning about the "Importance in a Name", "The Power of Words" and "Helping Needy Neighbors". Thank you to all the people, organizations, churches and companies who stand beside us and believe in the power of making a direct impact on children and their families, by taking our programs into the HEART of THEIR communities, providing tools to ensure positive futures.

FREE FUN FOR EVERYONE

Knowing that the Extreme Team will be in the neighborhoods every week with recreation time, music, crazy high energy games, prizes and awesome character building lessons make the kids come running to the community based program. The attendance has been great and the enthusiasm has been ecstatic.

May Weekly Average Attendance:

- Bradford Green—HDG—30
