Dear Friends & Partners,

We Got IT...DO YOU? What is it? It's HOPE! So many people are struggling, battling, barely surviving...wondering where their next meal is coming from, if they will have electricity or water next month or even a roof over their head. How can we meet the needs of so many people? We can't, but we can give them a loving hug from one of our volunteers, to a weary Grandmother that is facing cancer; a friendly smile to a single mom with no furniture (ant to go the extra mile by making phone calls to friends and family that may have furniture they are willing to give away) while delivering a complete Thanksgiving dinner. No we can't "change the world", but we can "change the world around us" one child, one family at a time! So, on the faces and hearts of many volunteers this Thanksgiving season, we gave HOPE and LOVE!

God Bless everyone of our volunteers that came out last weekend to help box up 106 complete Thanksgiving dinners and to all those that helped deliver our "Basket of Hope" dinners. Also, a great big Thank You to all the individuals, companies and organizations that gave food and money to help us fill the boxes with a delicious Thanksgiving feast.

"STAR KIDS"

Every child in the Extreme Family Outreach is a "STAR" in our eyes and they deserve to have a least ONE gift to open this Christmas season. This year we have over 300 children that need to be sponsored, and we are happy to announce that most of our children have been sponsored, we still have a few "stars" left. If you would like to sponsor a child be purchasing a gift between \$15 & \$20, please call our office at 410-676-1212!
