Extreme Family Outreach, thank you so much for all you do. Your kind acts don't go unnoticed and is very much appreciated. My kids had a wonderful time at the holiday party. The energy and love that was poured into this event and the many others that you do is an amazing example of God's love. Thank you so much!!

DON'T LET FEAR,
 STOP YOU THIS YEAR.
 COME ON OUT,
 LIVES WILL BE CHANGED
 THERES NO DOUBT!

Dear Friends & Partners,

The Extreme Family Outreach would like to wish you and your family a very Happy New Year! As we step into a new year, we step into a new chapter for Extreme Family Outreach. Our hearts desire is to make a greater impact on the children and their families in 2012 then ever before. WE have so many children that are left to fend for themselves everyday and statistics show that the time the children get into most trouble is during the hours immediately following school.

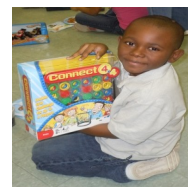

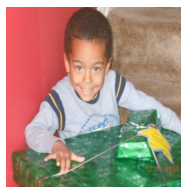

This is why Extreme Family Outreach hits the streets at that crucial time, with lots of interaction, recreation, communication, education...providing tools that ensure positive futures. This is what EFO is all about! Then we go a stop further by visiting their homes every week, always being well received with smiles and hugs. S the trust and relationship is built, we become the bridge that makes connections for the entire family, to become strong and healthy.

We receive calls from many communities that need Extreme Family Outreach and we want to be there, but we can not with out volunteers and supporters. We need YOU to continue to make an impact that will change the lives of children throughout Harford County. Can you give two to three hours a week of your time during our Spring and Fall semesters or sponsor a child so that we can go into their community? For more information about our "Sponsor a Child" program or becoming a volunteer, go onto our website, or call the Extreme office at 410-676-1212.

God Bless and we wish you and your family a prosperous and happy New

"Holiday of Hope" Christmas Parties a Great Success!

Thank you to every person who purchased a present for our 320 children in our "Star Kids" program. To Mountain Christian Mountain Riders, Christ Our King Youth Group and the American Legion Auxiliary Unit #17 for sponsoring our parties. We thank the APG Edgewood Chemical Biological Center, Lions Club of Edgewood, Jarrettsville Jet 4-H Club, and Mountain Christian Church "Christmas Conspiracy" project in providing many toys and gifts. We would also like to thank all of our EFO volunteers that worked diligently in making sure that all of our five Christmas party celebrations were successful. Without so many wonderful people coming together our "Holiday of Hope" program would not of been possible. Thank you again to everyone who stepped up and helped us make Christmas special for so many children and their families!
