The Extreme Family Outreach is looking forward to 2011 with excitement and anticipation! As we prepare to reach, teach and make a positive impact on the lives of many children and their families this coming spring, why not consider partnering with us as we give unconditional LOVE to those around us. We invite you to view one of the Harford County Network shows that features the Extreme Family Outreach (dates and times listed below) throughout the month of February, then call us for more information about becoming a partner or a volunteer. A life changing experience for everyone!

Sincerely, Debbie Wilhelm  
Director of Operations

### Visits with the Children

Staying  
connected  
with the  
children is  
important

throughout the cold winter months. So the Extreme Team bundled up and went out into the neighborhoods to give our children a warm hug, warm gloves, hats and scarves (thank you Youth Benefit Elementary School and Shirley's Boys Scout Troop) and to tell them that we are excited about seeing their smiling faces at our upcoming spring semester!
